ROMANIA PLOIESTI 9 MARCH 2010 8

ANNEXES: 11

Mangus Sol organized two campaigns in the same cities (Buzau and Ploiesti) where we have organized also the courses. The location of the mobilization campaigns was decided based on the data regarding the regions having potential for biogas production on the one hand and on the other hand, these are places where case studies were established.

BUZAU 7 DECEMBRIE 2009

The first mobilization campaign was the one organized in Buzau by SC Mangus Sol SRL with the support of the Buzau County Council (CJB) under the BiG> East - Biogas for Eastern Europe, on 07 December 2009 with the following program:
